

## Aljor Perreras

---

### Speakers Bio (short)

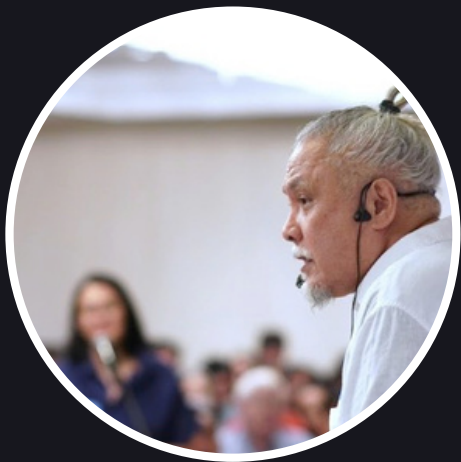

Aljor Perreras is the CEO of Primordium, and Senior Program Leader for their work on transformational personal growth and corporate leadership, empowering people and organizations to build strong cultures that produce unprecedented, extraordinary results.

Aljor's approach is sought after due to his unconventional process of altering how people see themselves, others, and their environment, allowing for expanded and elevated performance levels. He's been leading these programs for 20+ years.

Born in the Philippines, grew up in the US and now back since 2001. He's spearheaded transformational work that served thousands of people, and lead programs in Australia, New Zealand, South Korea, SouthEast Asia and the US.
